Introduction to Crystal Water Beach Community.

“Welcome to **Crystal Waters Beach**, a unique community of families that share a love for the simple but essential things in life: playing in the ocean, resting on the raft, keeping watch for orcas, collecting seashells, making castles in the sand, playing bingo, cracking crabs, counting humming birds, or eagles, or herons, picking (and eating) blackberries, taking evening strolls around the pasture, sharing meals and making memories with friends and family on the porch...or on the bluff.

CWB, like Point Roberts itself, has a rich and colorful history. As a resident, you are already an important part of this history in the making. As with any healthy and vibrant community, the generations of success **CWB** has enjoyed as a community are wholly attributable to our belief that the whole is greater than the sum of the parts and that, as individuals and individual families, we each bring unique talents and strengths and perspectives which are essential to knitting a more textured, colourful, delightful and, ultimately, a longer-lasting, fabric. This is why we work together some, and play together some, and always seek to build respect for – and to appreciate and encourage – the contributions of each member to our little and unique community by the sea.

Crystal Waters Beach – *life looks great from up here on the bluff!*”

Dear

Welcome to the Crystal Water Beach Community Association. For your information about the Crystal Water Beach Community Association please find attached a copy of our By-Laws, Constitution, Covenant and Community Reminders. Also attached is a document explaining the family social community events taking place during the summer months and the rest of the year. Our web site is <http://www.crystalwaterbeach.com>.

We are a non-profit association run by an executive of 8 volunteers, and our objects of the Society are:

1. To organize, promote and maintain communal activities and schemes within the Crystal Water Plat;
2. To make and administer regulations concerning the use of the common roads, Reserve "A", the beach and other of such areas within Crystal Water Plat;

To carry out these commitments we receive from each land owning member annual dues of \$100.00 dollars Canadian. These dues may be paid at the Annual General Meeting or given to the Secretary/Treasurer.

The Crystal Water Beach Association needs your support to provide input funding for its ongoing program of maintaining and sustaining the infrastructure and land elements, which we jointly share.

Any questions you have may be directed to any of the current Executive Members.

Yours truly,

Barb Aven, Secretary/Treasurer
Crystal Water Beach Community Association

Washington, 98281

Crystal Water Beach Events

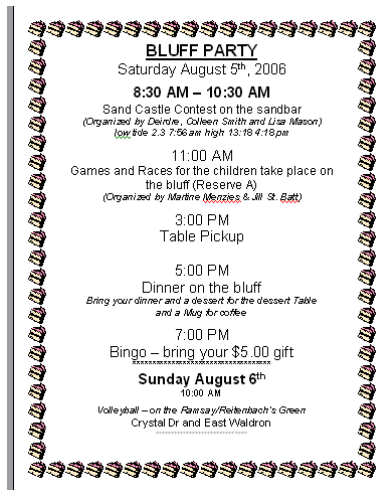

The following events usually occur during the year with the community members of CWB. Information is passed around by word of mouth, e-mail, and posted on the web (<http://www.crystalwaterbeach.com>) and the bulletin board. Crystal Water Beach Association has a web site maintained by Katrina Watts since 2003.

Bluff Party

Saturday events – August Long Weekend

The following events happen on the August Long Weekend. Children, and adults have fun during the races, sandcastle contest, dinner, dessert, bingo and volleyball.

- In July a sign similar to the following one appear on the bulletin boards.
- **The Children's races** usually happen first on the Common Area of the Bluff. This may change according to the tides. Approximately time 10:00 – 11:30 am. All children are invited to join in the races.
- **Sandcastle Building** – This event takes place on the beach usually around 12:00 – 1:30 depending on the tides for the weekend. All children receive a prize for their efforts.
- Around 3:00 you can put your picnic table outside your yard for pickup and taking down to the bluff. The community organize trucks and trailers to pick up these items.
- Around 5:00 you bring dinner for your family down to the bluff. You also supply a dessert for the dessert table and a \$5.00 gift for the bingo table.
- Around 7:00 pm we play bingo.
- The Executive will always be looking for volunteers to help organize the Races, and Sandcastle events. If you are so inclined please give your name to the President or Secretary.

- **Volleyball** – Sunday - This event has been included in the Bluff Party weekend and is quite the success. The event is currently held on the Ramsay/Reitenbach green. Judy Ramsey and Judy Reitenbach are the organizers of the event.

Shindig

Every second year around August 15th.

This event is organized by the ladies on the Waldron cul-de-sac. This is an open dancing event with a DJ, appetizers and prizes. The ladies run this event very well. The cost is approximately \$5.00 a person.

A notice is put up on the bulletin board as well as on the web. The information is passed around by word of mouth and usually the ladies have tickets to sell at the bluff party.

Ladies Luncheon

During the summer months a ladies luncheon is hosted by a member of the community. This information is passed around by word of mouth. Each person will bring a potluck dish to the event. Fun is had by all.

End of Summer potluck

During the labour day weekend a member of the community will host a wind-up dinner. This information is passed around by word of mouth. Each person will bring a potluck dish to the event.

Xmas Luncheon

During the Christmas break a ladies luncheon is held at one of the members in-town residence. The information is posted on the web and sent out by e-mail to all members. Each person will bring a potluck dish to the event. The event is very successful and provides a chance to meet CWB members during the festive season.

Maintenance of Common Property

During the year work parties are organized and conducted for the following maintenance to the common areas. The roads below Waters Road (Robert Drive, Sylvia Drive, Holiday Lane and Crystal Beach Road) are private roads and require maintenance to keep them in working order.

- **Pruning of brambles on the Stairs** to the beach - This is a project that needs to be completed by May each year as the brambles become out of control and need attention.
- **Pruning of the Bluff brambles and trees-** This is a job that needs to be done annually. The blackberries become overgrown and need trimming back in the early spring and sometimes in the July to August months.
- **Raft** - The Raft is build for all children and adults at Crystal Water Beach to enjoy. It has a centre anchor point to prevent it being flipped by waves or kids. A length of anchor chain which is attached to the underside of the raft is simply attached to the permanently anchored section of chain on the sandbar location by the use of a couple of galvanized shackles.
 - **Launching the Raft** - The Raft is put into the water in the July 1, xxxx Long weekend. Before this date, ensure the end of the anchor chain (out on the sandbar) is supported by a float. A group of about 10 – 12 people are needed for the launch event. Also the tides need to be checked, as high tide is the best time to do this.
 - **Pulling in the Raft** -The Raft is pulled out of the water for the winter, during high tide on the September Long weekend. A group of 10 – 12 people are needed for this event. Try to have the anchor chain attached to a small float at the time of disconnecting from the raft.
- **Drains** - There are a number of drains installed in the Crystal Water Beach area to maintain the running of water from various springs and overflow from the Highland's area through the farm.
- **Roads** - The community is responsible for the maintenance of the private roads.
