10/4/2003	Drains	Work Party construction of drains in Thorstenson's property. Jeff - from Hank's backhoe will start to dig the ditch for the drain from Waldron Place down to the bottom of the paster at Waters Road Friday October 3, 2003. Saturday workpaty will install the drains, and gravel. Jeff will use the backhoe, and the angled hoe to fill in ditches. Kevin Thompson created a neat cut in the road with an electric saw on Friday. This goes from the ditch on the north across the road to the ditch on the south access ditch to the bluff. A ditch with a drain was placed above the farm and widening of the swaile to help runoff of water into the farm house. The main part of work was completed this weekend. Sandwiches for the hungry men, created by Janet Grierson.	Jim Ramsay, Rick Reitenbach, Donn Aven, Peter Aven, John Bordingnon., Brian Brackman, Fred Culbert, Kevin Thompson
